Welcome to IFS INDIA – EDUCATION DEPARTMENT,

IFS INDIA is a Govt. Registered and ISO 9001-2008 Certified Organization, popular for Distance Learning and Forensic & Criminal Investigation Services. IFS INDIA's self paced study courses are provided in online and distance format and may be taken at any time, accommodating all schedules.

IFS INDIA's Education Department engaged in offering Online and Distance Courses and Forensic Services such as Forensic Training and Certification and Standardization services. Our Online and Distance Courses are a simple and cost-effective learning solution, we're here to help you launch or enhance your creative career. Students can participate in courses from virtually anywhere and any time around the world.

Our Education Department is devoted to high-quality online education; you can establish meaningful interaction with instructors and students via the Internet and E-Mails without leaving your home. IFS Course materials include resources with a variety of media types like- Word Documents, Power Point Presentations, Photos, Audio Files, Video Documentaries, PDF Files (e-Books), Software's, and Flash Shows.

We also provide free job placement assistance worldwide.

An education in Forensic Sciences, Cyber Forensics, Cyber Crime, Cyber Law, Cyber Security, Forensic Psychology, Crime Scene Investigation, Questioned Document and Handwriting etc courses provides the backbone for those who wish to work within the justice department as an Forensic Expert, Scientist, Administrator, Bailiff, Private Investigator, Detective, Forensic Analyst, Forensic Examiner, Teacher, Psychologist, Legal Consultant or in other positions. We prepares students with competencies in the areas of finding, preserving, developing, collecting, analyzing, recording and presenting physical evidences utilizing modern scientific methods used in the field and laboratory for forensic identification. Students may begin the course and complete assignments at their own convenience. Upon completion of course content requirements, satisfactory performance on assignments, examinations and evaluation completion, students are awarded a Course Degree / Diploma Certificate of Completion, Mark Sheets and Course Completion Letter.

These courses are designed to provide you with crucial information that will allow you to become Qualified Expert in relative area of Forensic Science. The online delivery system works well for busy, practicing professionals, forensic scientists, experts, lawyers, students etc... Our courses can be studied in the comfort of your own home or office, our courses can be studied online or offline in both modes.

We provide a wide range of Forensic Sciences, Cyber and security courses like-

- ✓ **Short term Courses**

**ELIGIBILITY,
EXAMINATION PATTERN,
MARK DISTRIBUTION
AND
GRADING SYSTEM**

ELIGIBILITY:**PG Diploma:**

Graduation in any discipline from Indian recognized School or University.

Specialized Courses:

Post Graduation OR Graduation from recognized university OR 10+2 with experience

Advance Diploma:

10+2/ Graduates/ Pursuing Graduation in any discipline.

Diploma:

10th passed in any discipline from recognized Board/ School/ College.

Certificate Course:

Basic knowledge about related field.

Short Term Course:

Interest in related area

EXAMINATION SYSTEM:

Students will have to appear for an Online Exam for each semester / year

They'll also have to submit two Assignments for each semester / year.

MARK DISTRIBUTION:-

Objective/Multiple Choice Exam (Paper-1)	50 Questions – 100 Mark
Descriptive Exam (Paper 2)	4 Questions – 100 Mark
Case Study (Paper 3)	1 Question – 50 Mark
Assignment (Paper 4)	2 Assignment – 200 mark
Home Work (Paper 5)	100 Mark

IFS GRADING SYSTEM:

A	80% AND ABOVE
B	70% TO 79%
C	60% TO 69%
D	50% TO 59%
F	BELLOW 49% (FAIL)
